

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE GANGES ROPE COMPANY LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of THE GANGES ROPE COMPANY LIMITED ("the company"), which comprise the Balance Sheet as at 31 March 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on these financial statements based on our audit.
- 4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
- 5. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view,in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March2015, its Loss and its cash flows for the year ended on that date.

Report on other Legal and Regulatory Requirements

- 9. As required by the Companies (Auditor's Report) Order, 2015("the Order") Issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 10. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of written representations received from the directors as on 31 March, 2015 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2015 from being appointed as a director in terms of Section 164(2) of the Act.

SNC & ASSOCIATES

Chartered Accountants

- (f) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund by the Company during the year ended 31st March 2015

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in paragraph 10 of Independent Auditor's report of even date to the Members of **THE GANGES ROPE COMPANY LIMITED** on the financial statements for the year ended 31st March, 2015: -

I.

- (a) The Company is in process of maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) According to the information & explanation given to us, the company has a phased programme of physical verification of its fixed assets where in our opinion, improvement is required having regard to the size of the company and the nature of its assets. In accordance with this programme, the fixed assets were physically verified by management during the year and no material discrepancies were identified during such verification, as informed to us.

II.

- (a) As per the information and explanations given to us, the inventories have been physically verified by the management at reasonable intervals during the year.
- (b) In our opinion and as per the information and explanations given to us, procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and nature of its business.
- (c) The Company is maintaining proper records of inventories. In our opinion, discrepancies noticed on physical verification of inventory were not material in relation to the operations of the Company and the same have been properly dealt with in the books of account.
- III. The company has granted unsecured loans to parties covered under register maintained under section 189 of the Companies Act 2013.
 - a) The receipt of the principal and interest are generally regular.
 - b) There is no overdue amounts more than rupees one lakh.
- IV. In our opinion and according to the information and explanations given to us, there is adequate internal control system commensurate with the size of the company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any major weakness in any internal control system.
- V. As per the information and explanations provided to us, the Company has complied with the provisions of section 73 and 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 with regard to the deposits accepted from the public and from the

MANJU SAPATOCIO FOR THE GANCES ROPE COMPANY

SITARAM AGARWAL OCH

DIN: 06912918

Note 1: SIGNIFICANT ACCOUNTING POLICILES

1. Basis of Accounting

The financial statements have been prepared in accordance with Indian Generally Accepted Accounting Principles ("GAAP") under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as specified under section 133 of the Companies Act 2013('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified).

The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year, except for change, if any, in accounting policy explained below.

Preparation and disclosure in Financial Statements

From the year ended 31st March, 2015, Schedule III of the Act, is applicable to the company for preparation and presentation of its financial statement.

Operating Cycle

As per Schedule III, "An operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents".

For the company, there is no clearly identifiable normal operating cycle and hence the normal operating cycle for the company is assumed to have duration of 12 months.

Current and Non-Current

An asset/liability is classified as 'current' when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- It is held primarily for the purpose of being traded; or
- · It is expected to be realized within twelve months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets/liabilities are classified as 'non-current'

2. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets or liabilities in future periods.

Fixed Assets

Tangible Fixed Assets

Tangible fixed assets are stated at cost, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of tangible fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of tangible fixed assets are measured as the difference between the net of disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Intangible Fixed Assets

Intangible fixed assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from derecognition of intangible fixed assets are measured as the difference between the net of disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

4. Depreciation

Tangible assets - Depreciation on assets is provided using Written down value method ('WDV') over the useful life as prescribed under Schedule II of the Companies Act, 2013, which is also estimated by the management to be the estimated useful lives of the assets.

Intangible fixed assets - Computer software and goodwill are amortized using straight line method over a period of 10 years, which is estimated by the management to be the useful life of the asset.

5. Impairment:

The carrying amount of assets is reviewed at each Balance Sheet date to determine if there is any indication of impairment, based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by changing usual depreciation, if there was no impairment.

6. Capital Work in Progress:

Capital Work in Progress comprises the cost of fixed assets that are not yet ready for their intended use at the reporting date and are in the process of being constructed / acquired / developed, as the case may be. Cost, as aforesaid, includes development and other expenses, including financial cost related to borrowed funds and the same is allocated/apportioned to the respective fixed assets on completion of the construction / acquisition / development of the capital project/fixed assets.

Expenses directly related to construction, acquisition or development activity is transferred to the capital work in progress. Indirect expenditure incurred during the construction, acquisition or development activity is transferred to the capital work in progress, to the extent it is related to construction, acquisition or development activity or is incidental thereto. The balance indirect expenditure is charged to the statement of Profit and Loss.

7. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in the value is made to recognize a decline other than temporary in the value of investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

8. Revenue Recognition

Revenue has been recognised in accordance with the "Accounting Standard 9" on "Revenue Recognition" issued by the Central Government as per the Companies (Accounting Standard) Rules, 2006.

9. Foreign Currency Transactions

The Reporting currency of the company is Indian Rupee (\mathbb{T}).

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency, as on the date of the transaction.

(ii) Conversion

Year-end foreign currency monetary items are reported using the year end rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rate that existed when the values

Were determined.

(iii) Exchange Difference

Exchange differences arising on the settlement or reporting of monetary items, at rates different from those at which they were initially recorded during the period or reported in previous financial statements and/or on conversion of monetary items, are recognized as income or expense in the year in which they arise.

10. Borrowing Costs:

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

11. Cash and cash equivalents

Cash and cash equivalents in the cash flow statement comprises of cash on hand, cash at bank, demand deposits with banks, cheques on hand, remittances in transit and short-term highly liquid investments with an original maturity of three months or less.

12. Employee Benefits

The Payment of Gratuity Act, 1972 is not applicable to the company for the year under review. Provident Fund and Miscellaneous Provisions Act, 1952 is not applicable to the company for the year under review.

13. Taxation

Provision is made for income tax liability estimated to arise on the results for the year at the current rate of Tax in accordance with Income Tax Act, 1961. In accordance with the Accounting standard 22, Accounting for Taxes on Income, issued by the Institute of Chartered Accountants of India, deferred Tax resulting from timing differences between book profit and Tax profit is accounted for, at the current rate of Tax, to the extent the timing differences are expected to crystallize.

Deferred Tax arising on account of depreciation is recognised only to the extent there is a reasonable certainty of realisation.

14. Provisions

A provision is recognized when an enterprise has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions, other than employee's benefits, are not discounted to their present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

15. Contingent Liability

There are no contingent liabilities on the company

16. Expenditure

Expenses are net of taxes recoverable, where applicable.

17. MSMED Dues

There are no Micro and Small Enterprises, to whom the Company owes dues which are outstanding at the balance sheet date. The above information regarding Micro, Small and Medium Enterprises have been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the Auditors.

18. Events occurring after the Balance Sheet Date

Material events occurring after the Balance Sheet date are taken into cognizance.

19. Grouping

Figures pertaining to the previous year have been rearranged/regrouped, reclassified and restated, wherever necessary, to make them comparable with those of current year.
